

GUIDED BY **INTEGRITY** • POWERED BY **PERFORMANCE** • COMMITTED TO **SAFETY**

General **INDUSTRY SERVICES**

Wagner Industrial Electric (WIE) provides electrical services installation for both new industrial installations, as well as renovations, upgrades, and expansions to existing facilities. We pride ourselves on the ability to execute the entire range of electrical projects both interior and exterior, from High Voltage Power Distribution to Digital Control Systems and everything in between. Our diversity of services ranges from Airport Runway Lighting to Food Processing to Waste Water Treatment Facilities to Renewable Energy.

Our goal is to exceed customer expectations in Safety, Quality, Performance and Value. Our expertise and attention to detail are the foundation of our estimating, pre-construction planning, project management services, and scheduling helps us achieve this goal. WIE has the ability to handle large, complex projects as well as smaller upgrades and repairs. We are your single source contractor to handle all of your electrical needs!

WIE is comfortable providing numerous delivery methods including Plan and Spec., Design / Build, Design Assist or Turn Key depending on your construction needs and can adjust our level of support accordingly. We are capable of providing any or all of the following services

- Project Design and Budgeting
- Scheduling and long lead equipment identification and procurement
- Constructability Review and Value Engineering
- Cost Control and Cash Flow Projections
- Construction Planning and Execution
- Safety Management
- Quality Control and Monitoring Systems
- Systems Startup and Commissioning
- Construction Management
- Operation and Maintenance Training

Guided by Integrity
Powered by Performance
Committed to Safety

Safety is paramount every step of the way. Through employee training, pre-task planning, presence of on-site safety professionals, tool box talks, incentives, audits and discipline, all of our job sites have a culture of safety that strives for zero accidents and zero injuries. This philosophy not only provides our employees a safe place to work, but facilitates project morale, productivity and quality.

WIE delivers Safety, Quality, Performance and Value to your project! Let us show you why you should never expect less!
